- Python (Django, Flask)
- Java (Spring Boot)
- Flutter & Dart
- HTML, CSS
- Databases: MongoDB, MySQL, PostgreSQL

Soft Skills

- Teamwork & Communication
- Problem Solving & Logical Thinking
- Self-learning & Documentation
- Time Management
- Presentation Skills

👤 PROFILE

I am passionate about Information Technology. My journey started with curiosity about software, which led to building web and mobile applications, exploring backend systems and providing real-world solutions. Proficient in Node.js, Spring Boot, Python, Django, and now expanding to Flutter and NestJS, I strive to turn ideas into software. I am constantly learning, adapting to new technologies and contributing meaningfully as a full-stack developer.

💼 WORK EXPERIENCE

COWI Autobiz
📅 JUNE 2025 – PRESENT

Automation & Workflow Assistant (n8n)

- Assisted in creating automation workflows using n8n to support business operations.
- Helped integrate different systems to reduce manual tasks and improve data flow.
- Collaborated with team members to identify potential automation solutions.
- Monitored and maintained automation processes for stability and performance.

Independent Contractor
📅 May 2025 – Present

Freelance Web/Mobile Developer

- Developed small to medium-scale projects for international clients with a focus on responsive design and functionality.
- Used React, Node.js, MongoDB, and Flutter to deliver applications based on client requirements.
- Communicated directly with clients to clarify requirements and provide progress updates.
- Deployed applications to cloud platforms and offered post-delivery technical support.

ICT Đông Á
📅 May 2025 – August 2025

Junior Full Stack Developer

- Contributed to building a souvenir e-commerce website with features like shopping cart, payment gateway, promotions, and real-time chat/messaging.
- Helped implement WebSocket for instant communication between users and shops.
- Assisted in developing backend APIs using Node.js and MongoDB.
- Enhanced the React.js front-end for a smoother shopping experience.
- Gained experience in teamwork, task sharing, solving technical challenges in a group project.

NGUYỄN THÀNH NHÂN
